The D C States that the repayment of the original loan sanctioned in G O dated 16.3.34 along with the loans sanctioned in G Os dated 4-2-47 and 8-2-47 may be difficult for the consul and recommends therefore sympathetic consideration of the request of the mil consul for either grant of a sum of Rs 60,000/- towards the half the cost of the original drainage works or waive the recovery of the half the sum of the loan sanctioned in G O dated 16.3.34, as requested by the President of the mil cl

19) It has been ordered by the then Second Chamber of Council on 28-10-38 that the drainage scheme is being financed by means of a loan Sanctioned expressly for that purpose, and that there was no idea of giving a grant to the Municipal Council for drainage works and that suitable grants may be sanctioned when the Mcty Council takes up other improvement works which it has in view (Vide paras 6 & 7 of file No 122-38 placed below)

Subject Waiving of Rs 60,000/- being half the amount of the loan sanctioned for Tumkur Town Muni-cipality, for the original drainage

---

Sir,

In forwarding herewith the records on the above subject received from the President, Town Municipal Council Tumkur, I have the honour to state that Government had san-ctioned in their order No L 18 21/Ml 82-83 dated 16-3-34 a loan of Rs 1,20,000/- to the Tumkur Town Municipal Council for carrying out the drainage scheme and the same was renewed by Government in their order No L 3583-84/Ml 188-35-3 dated 12/15-11-35 The entire amount was sanctioned as loan repayable in fifteen annual equated payments of loan principal and interest and carrying interest at 5½% per annum The president, states that out of that amourt seven instalments amounting to Rs - 78,212-6-2 have been paid Eight instalments are still be to paid and the eight instalments was due on 31-1-1947 Now the Town Municipal Council have resolved unanimously in their meeting held on 3-3-47 that at the time of granting the loan the Govern-ment ought to have borne half the amount of the scheme as per rules and atleast at this juncture, Government be requested to sanction half the amount of the loan amounting to Rs 60,000/- as Government grants A copy of the resolution is enclosed for kind reference The president too states that as per article 278 B (4) of the Municipal accounts Manual the Govern-ment has to bear half the cost of the scheme as in the case

of other municipalities in the state and requests that Rs 60,000/- may either be sanctioned as grant or waived

Government have sanctioned very recently in their order Nos L 11021-4/M1 50-46-17 dated 8-2-47 and L 10889-72/M1. 45-46-31 dated 4-2-47, a drainage and a water supply scheme respect-ively to the Municipality and in that connection the council have to bear a sum of Rs 1,35,430/- as loan repayable in twenty annual instalments and this is a very heavy committment

Repayment of the original loan sanctioned for carrying out the original drainage scheme along with the loans subsequently sanctioned may be difficult for the council and I therefore request you kindly to place the resolution of the council before the Government for a very sympethetic consideration and orders.

I have the honour to be
